Futurist, brand strategist, creator, entrepreneur, investor, author, and keynote speaker on AI, automation, entrepreneurship, wealth, ownership, and the future of money.

Speaker Profile · moneywithsab.com · princessa.diary@gmail.com

Speaker Bio

Sabrina 'Princessa' Wang is a futurist, brand strategist, creator, entrepreneur, investor, author, and keynote speaker focused on AI, automation, entrepreneurship, wealth, ownership, and emerging technologies.

As the founder of Royal Privileged, People's Inc. 360, Royal Visionary Society, Speakers Society, Seraphina AI, Saphira AI, and Money & AI, she operates at the intersection of technology, business, media, and capital.

Her work explores how people can use AI, automation, ownership, investing, and business-building to create freedom in time, wealth, location, and happiness. On stage she blends practical frameworks with market observations and long-view positioning, translating complex shifts in technology and capital into decisions audiences can act on.

Signature Keynote Topics

Future of Money

How AI, automation, digital assets, and capital allocation are reshaping wealth creation.

AI & Wealth Creation

How AI creates leverage for founders, creators, investors, and professionals.

The Trinity Wealth Method™

A framework for building long-term wealth, short-term opportunity income, and cashflow assets.

From Founder to Investor

How entrepreneurs can think like capital allocators and build assets beyond active income.

Digital Assets, Crypto & the Future of Finance

How emerging technologies are changing ownership, markets, and wealth access.

AI, Automation & the New Cashflow Economy

How AI-powered tools, micro-SaaS, content, and automation can create recurring income.

The Future Founder

Why the next generation of entrepreneurs will combine media, AI, capital, and community.
